In Loving Memory

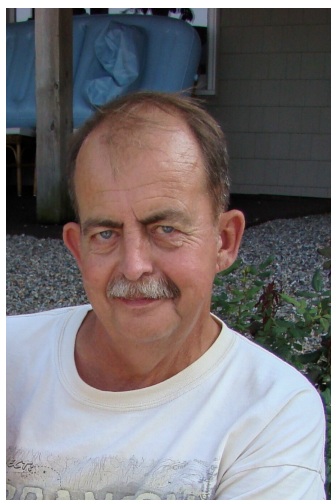

Walter C. Wolf (1916 – 2010)

Walter Carl Wolfe served in the US Army as a PVT Tech 4th Grade at Camp Croft, South Carolina. He served in the motor pool as a mechanic. This job left him with a love for cars, repairs and body work. His favorite car was the Citroen. He grew up on the Wolfe family farm in Southwick and was a milkman before and after World War II for the Wolfe Brother's Dairy Farm. Walter was employed for 25 years as a test engineer in the experimental division of Hamilton Standard. His interests included aerospace technology, bowling, square dancing and being outdoors. He was friend to everyone and always had time to fix or give a helping hand to anyone in need. Walter was creative and hands on when remodeling, fabricating, building or tearing down something. He always had "ideas" and an eye for what "could be" if you dared to dream. He was a "great storyteller" of life on the farm, the service, work or adventures. He loved his family and friends and life. He always recited poetry "Trees" being his favorite. He was always willing to share a good cigar and a glass of good bourbon or Southern Comfort.

In Honor of James F. Phelon Westfield Fair Dairy Cattle Scholarship

James Phelon was well known here at Westfield Fair, not only for his love of showing Milking Shorthorns year after year at the fair, but most of the time during the fair you would find him tending to the gate. Jim was a volunteer for over 30 years here at the fair and served as president for 10 years. He loved to see improvements that would keep the future of the fair going, and was always the first to lend a helping hand. Jim was well known for his love of his family, traveling, farming and the Milking Shorthorn breed. He especially enjoyed showing his cows with family & friends at many local and national shows, and always found his way back here every third weekend in August.

Jim spent a lot of his time dedicated to seeing the success of youth whether it was through a 4-H club, national junior society, or just helping a youth get to a show, annual meeting or national convention. He loved to see everyone have the same opportunity to get involved in youth dairy activities. So in honor of Jim we would like to offer a scholarship to youth who have participated in the Dairy Cattle show here at Westfield Fair.

The judges or superintendent shall be qualified in stone boat contests and shall have full jurisdiction to decide the weight of the load at any time and to decide anything relative to the actual drawing. Out of state teams shall be permitted to enter the contest if the judges or superintendent deem it advisable.

Any individual, firm or corporation found guilty of administering drugs which may affect the conduct, actions, endurance, strength, speed or performance of any animal competing in any pulling competition within the Commonwealth of Massachusetts, shall forfeit all prize monies won that day and shall be barred from any pulling competition for the next calendar year. Second offenders shall be punished by forfeiture of prize monies and the individual, firm or corporation shall be barred for life in any pulling competition held in the Commonwealth of Massachusetts.

Any team disqualified by an agent of Humane Society appointed under Chapter 147, Section 10, of the M.G.L. shall be taken out of the contest immediately. Before any team is taken out, there should be consultation among the Humane Society, superintendent and judges, and so announced to the public by the judges.

All Mass Fairs charge a \$5.00 entry fee per team per class for Horses, Ponies and Oxen to cover drug testing of animals.
