

Westfield Fair Sponsorship Form
137 Russellville Rd
Westfield MA 01085

Hello!

2021 is upon us and we are looking forward to our wonderful local community event the Westfield Fair! We have already started planning this year's annual event and are facing the many challenges of the "new normal" with our heads up and planning for the best. Our 2021 dates will be August 21-22, 2020. We would like to take this opportunity to first thank you for your past years of support. Without you we would not be able to keep this tradition alive! This year we will be celebrating 95 years of bringing our local and surrounding communities together to experience what our local community has to offer. Our goal is to bring back that traditional agricultural and harvest Fair we all remember. Focusing on our roots we hope to give our community a fun and educational experience that will make us the conversation at their dinner table.

The Westfield Fair offers a verity of exciting and educational events such horse and oxen draws, youth livestock exhibits to include dairy, beef, sheep shows, craft barns, motorized events, live music, local food and of course a midway!

The Westfield Fair Association is non-profit and we strive to give our youth and community the opportunity to learn and compete at the many events throughout the fair. Without your support we would not be able to make this happen.

If you would like the opportunity to support the 95th Westfield Fair below are some unique opportunities to partner with us!

Please fill out the form below and return it to:

Westfield Fair Association c/o Maureen Freniere 209 Pochassic Rd Westfield Ma, 01085

If you have questions or would like to meet in person please call or email Andy Freniere

Or email andyfreniere@gmail.com

If you would like to contribute in a different way or sponsor a specific portion on the fair please note in the OTHER section on the bottom of the form.

Again, we thank you for your support and look forward to seeing you in August!

~The Westfield Fair Board of Directors
