In Loving Memory

FRANCES SHEAFFER (1946 – 9/5/20)

Fran was a very dedicated volunteer at the Westfield Fair for many many years. She was interested in all sorts of handicrafts which led to her working the exhibit hall each year. She was involved with her children and grandchildren. She will certainly be missed.

LAWRENCE PERKINS (5/27/49 – 10/28/20)

Larry was very involved with the Westfield Fair for quite a few years, specifically in the electrical issues on the grounds. He served as the President for one year. We all appreciated the work he did here and will miss him very much.

MURIEL BOISSEAU (1932 - 12/13/20)

Muriel was involved with all of the local fairs all of her life. Her family was her great passion, and she was always very close and interested in each of them. We will miss her good cheer and wisdom.

PHILIP W. BOISSEAU (3/13/87 – 5/3/21)

Philip grew up in Westfield and was a part of the Westfield Fair all his life. Each year he could be found helping with grounds work, moving tables, setting up for functions, or picking up trash every morning at 5 am each day. We will all miss Phil very much.

JAMES REED (5/28/54 – 3/14/22)

Jim was a true friend to the Westfield Fair, using his heavy equipment whenever necessary, and supporting the fair in other ways. He was often seen on the grounds prior to the fair working on the roadways. Jim was pretty much available for whatever anyone needed. He will be missed for many years to come.

*In Honor of James F. Phelon
Westfield Fair Dairy Cattle Scholarship*

James Phelon was well known here at Westfield Fair, not only for his love of showing Milking Shorthorns year after year at the fair, but most of the time during the fair you would find him tending to the gate. Jim was a volunteer for over 30 years here at the fair and served as president for 10 years. He loved to see improvements that would keep the future of the fair going, and was always the first to lend a helping hand. Jim was well known for his love of his

family, traveling, farming and the Milking Shorthorn breed. He especially enjoyed showing his cows with family and friends at many local and national shows, and always found his way back here every third weekend in August.

Jim spent a lot of his time dedicated to seeing the success of youth whether it was through a 4-H club, national junior society, or just helping a youth get to a show, annual meeting or national convention. He loved to see everyone have the same opportunity to get involved in youth dairy activities. So in honor of Jim we would like to offer two scholarships to youth who have participated in the Dairy Cattle show here at Westfield Fair.

General Exhibit Information/Rules:

General Rules:

- No person shall exhibit, be awarded or receive premiums in any department in which that person is a judge.
- Exhibitors and/or public are not to expect privileges or rebates on account of rain.
- Exhibitors and the public are not allowed to go barefoot.
- Lost and found items will be held by the secretary.

Exhibit Rules:

- All exhibits must be produced, selected, and arranged by the exhibitor. Livestock must be owned by the exhibitor at least thirty (30) days prior to exhibition. An animal shown in a Junior class cannot be shown in an Adult class. Numbers will be checked at random by superintendents for age of animal, ownership, date of ownership, etc.
- Entries failing to comply with the Premium List requirements will be disqualified. Livestock exhibitors failing to comply with dress code requirements will not be allowed in the ring.
- Placing will be awarded on the basis of quality of exhibits. The decision of the judges will be final. The committee and the judges reserve the right to reject any or all exhibits which are not listed in the premium book.
- Exhibitors cannot enter more than 1 entry in a class with the following exceptions:
 - Any other class – up to 3 different entries.
 - Cattle and Goats – 2 entries per class in singles.
 - Sheep and Goats – 3 or more in singles, but only 2 premiums.
 - Cattle and Sheep – limited to 2 breeds per exhibitor.
- All animals shown in group classes must be shown in a single class.
- Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

Compliance/Damages/Loss:

In no case shall the Westfield Fair Association or any of its' officers be held responsible for any damages, loss, injury, death or disability by disease or from theft, or any other cause of such property, or to any person coming upon said Westfield Fair Grounds. The Westfield Fair Association hereby refuses to assume any responsibility for the safety as bailee or otherwise of any property brought upon said Fair Grounds. Said property being brought and kept upon said grounds at the owners own risk.

If the property owners or others interested in the property desire protection against loss, damage or injury from fire or any cause, they must make their own arrangement and pay for such insurance. The management will endeavor to use due care to protect all exhibits.

If it is ascertained that any exhibitor and/or exhibitor's employee has, in a disorderly and public manner, taken exception to the judgment or ruling of an awarding committee, judge, superintendent, or any official of the Westfield Fair Association, the Board of Directors may exclude said offending exhibitor and/or employee from competing for a premium, or from

exhibiting until such person shall have made proper apology and be reinstated by a vote of the majority of the entire Board of Directors.

Animal Health:

2021 Animal Health Rules for Fairs and Shows

Special Note: Massachusetts COVID-19 response orders supersede all other exhibition guidance. Please visit [mass.gov/covid-10updates](https://www.mass.gov/covid-10updates) for the most current information and updates. In addition to complying with all laws and regulations governing animal health issues all fairs must adopt and enforce the following rules for governance of the fair.

NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn or tie-out stall until the animal and its paperwork have been inspected and approved for entry.

A. General Rules for All Animals: See M.G.L. c. 128 §2C, 129 §2

1. All animals must be in proper physical condition, be properly identified and free of visual evidence of infectious, contagious or parasitic disease at time of arrival. Specific diseases and conditions which will disqualify an animal for entry are identified for each species in the following sections of the rules. Animals of any species with open or draining wounds will not be approved for entry.

2. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. THE INSPECTOR'S DECISION IS FINAL.

3. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly-licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

4. Official ID: See Final Rule: Summary of Traceability for Livestock Moved Interstate (Summary of general Requirements by Species) All livestock must have proper official, individual ID as required for the species, e.g., official metal ear tag, tattoo, scrapie tag, or microchip. Registration forms must accompany health certificates when used as part of official identification.

5. Health Certificates: -- One Official Certificate of Veterinary Inspection (OCVI) may be allowed for animals of the same species to be exhibited at fairs or shows in any of the New England states (CT, *ME, MA, **NH, RI, and ***VT) when submitted with an itinerary of the dates and locations of the events at which the listed animals are expected to be shown. Only animals that are healthy at the time of shipment may be moved. Note that *ME, **NH, and ***VT have additional requirements. Certificates of veterinary inspection in these states are valid for a shorter period of time and may have additional language, movement and permit requirements.

For the 2021 Show and Fair Season, livestock animals being exhibited in New England states must have official certificates of veterinary inspection (OCVIs) that meet the following requirements: a. MA, and RI: OCVIs issued on or after January 1, 2021 may be used for those animals being shown at multiple fairs and shows in CT, MA, and RI through the 2021 show/fair season ending October 31, 2021.

i. CT and ME: An importation permit for exhibition animals is also required. Contact CT Dept. of Agriculture (860-713-2504) or ME State Veterinarian's Office (207-287-3701) for permits or questions.

ii. MA -Note: The Big E Fairgrounds in West Springfield requires a CVI issued within the prior 30 days for all horses entering the premises for any show, fair, or exhibition.

iii. NH: * * NH: To qualify for the extended CVI, animals exhibited in NH must originate in a New England state and move on OCVIs issued on or after April 1, 2021 to participating NH fairs and shows from July 1 to October 31. The extended CVI is not available for animals that do not reside in New England. Contact NH State Veterinarian's Office (603) 271-2404 for details and permits.

iv. ***VT: Contact the VT Animal Health Office (802-828-2421) for specific import requirements that deviate from the general information in this letter and must be met for legal import of livestock.

b. A single OCVI from the animals' home state may be completed for travel to and from the New England states in which the animals will be exhibited. MA animals being shown ONLY in MA may substitute a signed,

dated letter on the letterhead of an accredited veterinarian for an OCVI if all required information is included and all additional requirements are met.

c. Multiple animals of the same species may be listed on one health certificate with appropriate individual IDs and descriptions. Animals of different species may not be listed on the same official health certificate.

d. An itinerary of the names and locations for each New England fair or show at which owner expects to show the listed animals and the dates when each animal is expected to be on each site, must be prepared by the owner and presented to the veterinarian at the time the OCVI is written.

i. A copy of this planned itinerary must be attached to the official health certificate (import and export) for it to be used for more than one fair or show.

ii. That proposed list should be signed by the veterinarian and the owner/ exhibitor and reference the relevant OCVI number(s).

e. The name and address of the first show or fair where the listed animals will be exhibited is to be used as the "destination" on the OCVI form. In addition, "See attached list" or a similar statement directing Animal Health Officials or Fair Inspectors to the attached proposed itinerary must be included.

f. Exhibitors must keep an accurate list of the show locations and dates when their animals were actually on the show/fairgrounds. This record must be available to fair inspectors at each inspection and check-in.

g. Any animal listed on an OCVI that becomes sick must remain home. If the animal is refused entry to any exhibition during 2021 for health reasons it must have a new health certificate issued by an accredited veterinarian within 30 days of the next interstate movement.

h. Any New England state may end their participation in this agreement and revert to the standard published requirements for livestock imports in the state at any time, in the event of foreign animal disease outbreak or changes to state legislation. All petting zoos are required to have a USDA APHIS Exhibitor's License (as needed) and valid 2021 health certificates. Page 3 of 4 ADDITIONAL REQUIREMENTS FOR EACH SPECIES ARE LISTED BELOW

B. Cattle: See M.G.L. c. 129 §§2, 39 and 330 CMR 4.04(2).

1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and in-state animals. Current brucellosis and TB status in the exhibitor's state can be obtained from the state veterinarian's office in each state. If the exhibitor's state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal Health for entry requirements (617-626-1795). All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pinkeye, ringworm, warts, cowpox and open or draining wounds.

2. While not required, it is strongly recommended that all cattle be currently vaccinated for rabies. 3. Note: The Big E is requiring RFID official identification tags for all cattle entering the Big E Fairgrounds premises in 2021. Other fairs may add this requirement. Contact fair office with questions. C. Poultry: See M.G.L. c. §§2, 129, and 330 CMR 5.02. 1. No poultry will be admitted to a fairground until it has been individually inspected.

3. Based on the Federal Scrapie Eradication Program (FSEP), goats and sheep of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA official individual identification tag or registry tattoo accompanied by current registration papers consistent with the requirements of the FSEP and the Massachusetts Emergency Order 1-AHO-06. Information is available from USDA-APHIS at 508-363- 2290. E. Camelids (Llamas, Alpacas, etc.): See M.G.L. c. 129 §2, M.G. I. c. 131, §23 ,321 CMR

9.02. 1. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States and in-state animals. Current brucellosis and TB status in the exhibitor's state can be obtained from the state veterinarian's office in each state. If the exhibitor's state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Division of Animal Health for entry requirements (617-626-1795). 2. All Camelids originating from outside the Commonwealth are required to be tested for Blue Tongue. Exception: Animals from a USDA declared "Low Incident State" are exempt. New England and New York are low incident states.

3. All animals must be free of visual evidence of the following diseases and conditions: foot rot, mange, pinkeye, ringworm, warts, pox and open or draining wounds.

G. Sheep: See 9 CFR 79 and Massachusetts Emergency Order 1-AHO-06.

1. No sheep will be allowed entry from flocks in which Scrapie has been diagnosed or in which animals are under surveillance for Scrapie during the previous eighteen months. Based on the Federal Scrapie Eradication Program (FSEP), goats and sheep of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA official individual identification tag or registry tattoo accompanied by current registration papers consistent with the requirements of the FSEP and the Massachusetts Emergency Order 1-AHO-06. Information is available from USDA-APHIS at 508-363-2290.

2. No sheep will be permitted entry from flocks in which soremouth has existed or in which soremouth Vaccine has been administered in the previous sixty (60) days.

3. Sheep must be free from visual evidence of foot rot, sore mouth, pink eye, ringworm, and open and draining wounds. While not required, it is strongly recommended that sheep be currently vaccinated against rabies.

A State Photography Competition

The Massachusetts Agricultural Fair Association (MAFA) is hosting a statewide photography contest this year. The first place winner from each member Fair will be judged at the Annual MAFA convention this November. The winning photos will be featured in one or more MAFA and MDAR publications. The winning photographers will receive special recognition and passes to many Massachusetts Fairs.

Each member Fair must submit one first place NON-PROFESSIONAL photo in adult and/or youth categories that meets the regulations for this contest by November 1st.

CONTEST RULES & REGULATIONS:

The photo must be exhibited in a MAFA member's 2022 Fair by a non-professional adult and/or junior exhibitor.

The subject of the photo must be agricultural in nature and/or depicting the agricultural aspects of a Massachusetts Fair.

The photo must be exhibited and judged to be the best overall photo that meets the subject criteria for this contest at the originating member Fair.

Though photos may be exhibited at the Fair in a certain size, frame, etc., only an 8 X 10 un-matted and unframed photo will be judged at the convention. Therefore, winning photographers may need to resize and/or de-frame & de-matt the original exhibited piece before it is submitted to MAFA.

The winning photograph will reproduce with the best quality if it is taken with a minimum of 300 dpi, but this is not a requirement for submission.

MAFA and MDAR have the right to use the winning photograph in publications promoting agriculture in the state of Massachusetts.

ADULT GARDEN

- Displays will be divided into Novice and Skilled. Bring your own peat.
- Sewing, canning, baking, any craft, can be part of the display. *Three-fifths of the total exhibit must be vegetables, including canning and flowers.* Also counted are honey, fruit, and maple products.
- Red tomatoes, no stems and Green tomatoes, leave stems on. Do Not peel onions and Do Not wash potatoes.
- Classes 1050 and 1051 – max 18” high back. Items included in your exhibit would follow the same line as for 1046 and 1047.
- Beginning exhibitors will be competing in classes 1046, 1048, and 1050
- For all displays, you must have a minimum of six (6) kinds of vegetables (beets, carrots, bean, squash, cucumber, onions, or whatever your garden yields). You can use more than six if you have good product and don't overcrowd the display.
- Any quality display not placing will be paid \$10.00. State rosette will be awarded for best agricultural exhibit. Score card is as follows: **50% Quality; 30% General effect; 20% Variety**

Exhibitors of the Family Agriculture Display- will need to build a 3-4 ft. high backing that is part of the display's total theme or design, (Examples: a window, the end of a barn, a set of shelves). You can arrange any article that has been grown or manufactured made by all members of your family on the exhibitor's property and/or that were raised by you in the past year. Sewing, canning, baking and any craft or papers the children have done in school can be part of the display. Do not overload your exhibit. Cover the shelf area with peat as the background on which you place any items that you don't hang from the backing. The Family Agricultural Display must cover approximately 15 sq. ft.

Beginning Exhibitors in Garden and Family Agricultural Display - will be assigned a space approximately 3ft. x 4ft. in the large exhibit hall (3 ft. x 5ft. for Family). Bring enough peat to cover the shelf area and to form padding on which to lay your vegetables. Select your best but not the largest vegetables. Be sure to clean them thoroughly, do not scrub or brush. Bring more than you plan to use for a choice when you assemble your display. Have a sketch or plan before you come- it should not be crowded.

OX and HORSE PULL

Rules Governing Pulling Contests - Mass. Department of Food & Agriculture Division of Fairs

There shall be a superintendent and three judges in charge at all drawing contests. They shall be vested with the authority to disqualify any team or driver for any cause that in their judgment might be detrimental to the best interest of the public, animals, or the organization conducting the contest.

The judges or superintendent shall be qualified in stone boat contests and shall have full jurisdiction to decide the weight of the load at any time and to decide anything relative to the actual drawing. Out of state teams shall be permitted to enter the contest if the judges or superintendent deem it advisable.

Any individual, firm or corporation found guilty of administering drugs which may affect the conduct, actions, endurance, strength, speed or performance of any animal competing in any pulling competition within the Commonwealth of Massachusetts, shall forfeit all prize monies won that day and shall be barred from any pulling competition for the next calendar year. Second offenders shall be punished by forfeiture of prize monies and the individual, firm or corporation shall be barred for life in any pulling competition held in the Commonwealth of Massachusetts.

Any owner and/or teamster who has been convicted, or found in violation in any other state's statute relating to the use of drugs or stimulants, or other animal protection statute shall be barred from participation in any contest, in this state, for the period prescribed by that state.

Any team disqualified by an agent of Humane Society appointed under Chapter 147, Section 10, of the M.G.L. shall be taken out of the contest immediately. Before any team is taken out, there should be consultation among the Humane Society, superintendent and judges, and so announced to the public by the judges.

All participants will be properly dressed. Any driver, hitcher, judge or superintendent, family member, raker, pinner, measurer, tractor driver or spectator who had been drinking alcoholic beverages will be disqualified, from the contest and removed from pulling area. Breathalyzers may be used at any time during the pulling event to determine if an individual has been drinking. The readings will show a .04 tolerance. The drinking of alcoholic beverages in and around the ring is prohibited. Any foul or abusive language to the public or anyone connected with the draw, by the driver or his helpers will cause the driver and team to be disqualified immediately. First offense may result in fines up to \$250.00 and a 2-week suspension; Second offense may result in a one-year suspension and fines up to \$1000.00; Third offense teamster will be barred for life. Anyone disputing the decision of the judges will be immediately disqualified and fined \$100.00. If the teamster is fined, the teamster will not be able to pull until fines are paid. (All fines payable to the Mass. Fairs Testing Fund and mailed to Bev Moulton).
